

T _T issue	T _T Notes
In Projects : in adding new project there is no size limit to the logo you put	Notes
In Projects : For the first time i added a sprint it didn't appear , statisc of number of sprint was 0 , and in the setting of the projects There was no members may be that was the reason (idk) of disappeared sprints	Notes
In Projects : make the status of the sprint apear in the backlog page (complete, pending, current) and by default if it's date start make it currnet	Notes
"اللي بيتعرض تاسكات الاسبرينت الحالية بالتاريخ بتاعها " In Projects : Add Hint to the board that	Notes
In Projects : in Board => make the movement of tasks more smoothe and give the user option to rearrange the cards	Notes
In Projects : For admin or manages, it doesn't make sense that his tasks and other people's tasks appear in the same place	Notes
In Projects : when i changed the status to complete , the start date of the sprint changed and became just (12:00 Am)	Notes
In Projects : The Story point need a limit or make it drop down list	Notes
In Projects : Show the Tasks in Calander with more profissional way	لو فيه عندي اكثر من بروكت فيه تاسكات نعرض الصور البرجكتس في المربع بتاع اليوم و لما نضغط على الصورة تفتح بوب اب بالتاسكات كلها (زي ما بيظهر دلوقت)
In Projects : It makes more sense that the calender sisplay all the available sprints not only the current	Notes
In Projects : maybe tester should not see the 'Lists , Board' that will not help him	Notes
In Meetings : the button of add meeting appear to the dev and tester ?	Notes
In Meetings : Cannot add a new meeting	Notes
In Communicator : message can be edited only once ?	Notes
In Communicator : search in chat need more work , it just highlight the last message even if the word i'm looking for in more than ome message	Notes
In Communicator : Design Uploaded files in chat not he best	Notes
In Teams : add new team not working	Notes
In The Media library : if u uploeded a file and refreshed the page the file deleted	Notes
In The Media library : Select types of files u want be aploeded	Notes
In Copilote Chat : Why are the previous chats not saved?	Notes
